BearGlobal "Growth Club has been an amazing process for Byron Stallworth (CEO) and me (COO). It allows us to step back from the day-to-day and spend time planning for the next quarter. Once we have that plan, we can compare from quarter to quarter how well we execute. Bob Viney is a consummate professional and an extremely inspiring coach who helps us hone our plans through the workshop. Each successive workshop is more and more useful to us as our business grows." Bill Maltbie, COO, Bear Global Inclusion Strategies
